PROFESSIONAL EXPERIENCE

Junior Graphic Designer Jan 2024 – Present

Pixel & Co. Creative Studio · London, UK | In-House, Full-Time

- Designed and delivered complete brand identities — logos, colour palettes, typography systems, and style guides — for clients across retail, hospitality, and professional services, ensuring consistent visual language across all print and digital touchpoints.
- Developed UI/UX wireframes and high-fidelity prototypes in Figma and Sketch for web and mobile applications; built interactive InVision prototypes for client review, reducing revision cycles by enabling structured feedback before development handoff.
- Produced and maintained WordPress websites for clients — managing CMS content updates, optimising image assets for page speed, and implementing HTML and CSS modifications to resolve layout issues and improve responsive design.
- Designed campaign collateral including digital banners, social media assets, email templates, and OOH print materials; collaborated with the marketing team to align creative with campaign objectives and audience strategy.
- Edited promotional video content in Premiere Pro and created After Effects motion graphics for digital ad placements and social campaigns across multiple client accounts.
- Created pitch decks and presentation materials for new business proposals, translating data-heavy briefs into visually compelling narratives using InDesign and PowerPoint.
- Managed 6–8 concurrent client briefs in a fast-paced studio environment, consistently meeting deadlines and maintaining high production standards with minimal supervision.

Freelance Graphic Designer & Social Media Specialist2022 – Present

Self-Employed · London, UK | Clients: Xinh Beauty · Mexican Grill Co. · Cougar Fashion · Botánica Skincare

- Developed full brand identities from concept to delivery — logos, colour systems, typography hierarchies, brand guidelines, and style guides — across beauty, food & beverage, and fashion sectors.
- Designed seasonal campaign collateral (brochures, menus, POS materials, lookbooks, print-ready artwork) and liaised with external print suppliers to ensure pre-press accuracy and production quality.
- Translated complex Excel and Word data into polished infographic suites and illustrated icon libraries in Illustrator, deployed across marketing reports, pitch presentations, and product packaging.
- Produced motion graphics and short-form video content in After Effects and Premiere Pro for Instagram Reels and TikTok, driving a 35% average engagement uplift for Xinh Beauty.
- Directed and retouched product and lifestyle photography for Botánica Skincare and Cougar Fashion — handling lighting, set composition, and full post-production in Photoshop.
- Built client-facing web pages and microsite sections using HTML, CSS, and Wix Studio, ensuring mobile-responsive, brand-consistent digital presence.
- Managed paid social creative across Meta Ads Manager and TikTok Ads, designing and testing performance-led ad variants informed by platform analytics.
